8. By-Law Changes

Preamble from the Director of Communications and Internal introduces all of the proposed By-law changes as recommended for adoption by the Student Association of George Brown College Board of Directors. The speaker explains that the by-laws were revised with consultation legal counsel to ensure proposed changes were in compliance with the Not-For-Profit Corporations Act.

The speaker explains that the reason for the change is largely due to the current budget not taking into account the recent change in the laws governing minimum wages in the province of Ontario. With the current rate of 125% with a minimum wage of \$14 and then \$15 in the following year, the Student Association budget would not be able to accommodate such drastic changes to part-time staff wages.

Motion: Be it resolved that the By-Law Article 10.9 be amended to read:

10.9 The corporation is committed to providing a fair wage to all students employed in part-time positions. As such, the minimum wage of the corporation will be \$15 per hour. ~~125% of the province of Ontario's legal minimum wage.~~
